Discussion:

- Analyzed data from July satisfaction surveys. Responses were very positive. Generally team members feel meetings are productive and strength-based. One need is to utilize more informal supports. A big focus has been on safety planning.
- Three youth satisfaction surveys have been completed, with one more youth coming up. Responses will be shared at future meetings.
- Committee will have a display about Wraparound at the Brain conference.

Action Taken / Recommendations:

- Elaine Bolland will be the contact person from the Wraparound Committee to help with clean up at the Brain Conference. We will “loop” our Wraparound DVD, prepare a display board, and have brochures available. Jon will help man the booth. Elaine and Char are checking on poster board.

Training Needs Identified:

- Wraparound Orientation set for November 6th from 9:00 am to noon. Flyers will be mailed to the four family service agencies, corrections, public health, and to Heartland, Greater MN Family Services, and school districts.
