- Committee focus

Discussion:

- Committee discussed funding options for “Attitude Check”. Annie suggested RAPAD funding, but it will only be for Renville County.
- Lynette tried contacting NAMI about “stigma busters”, but was unable to speak to anyone.
- Loren Hacker talked about the Executive Board discussion regarding committees needing focus. Kim Hanson stated she felt our committee lacked energy. Tricia talked about combining with the elementary/middle school committee on a focus. Loren suggested SHARE data be used to combine efforts of both committees to possibly create sub-committees. SHARE data will need to be reviewed at a future meeting to find what would be useful to the committee.
