- ✓ Rebuild the community's perspective on mentoring.
- ✓ Work with our advisory councils - try and add new people.
- ✓ PR (articles in the newspaper, presentations to local organizations, businesses, etc.).
- ✓ Use mentors and mentees to share the vision of our programs.
- ✓ On-going conversations with people about our programs.
- ✓ Package the product differently - make it fresh, same product - new look.
- ✓ Find other funding streams.
- ✓ Work as a group to seek other funding collaboratively.
