1. Training Updates
   Wrap Skills – Feb. 20th 9:00-3:00 for those who've had the 101 training
   Wrap Refresher – Mar. 16th 9:00-11:30
   There will be a parent panel at the Skills Training
   There are still opening – call Shawna to register

2. Help Squad Initiative
   Executive Board approved the "go ahead" to pursue Help squads as discussed last time. Also approved use of Char Erickson's and Kenny Turck's time for this.

   Did not allocate funds yet until some questions are answered regarding timelines and liability issues. Will be contacting Habitat for Humanity, Heartland, United Way, YMCA and other agencies that utilize volunteers as to how they handle liability (what if someone is injured helping build a house for Habitat, etc.) Will be writing up a Disclaimer Statement. A Parental Consent form for minors should also be written. Bridge Builders still continues to meet. Questions: If the Help Squad is the umbrella, who is liable, and are requests funneled through Char at PACT 4? If a person is a volunteer, is there any liability?

   Contacting agencies were assigned to the following:
   - Char – ministerial
   - Kim – Habitat
   - Debbie – Heartland
   - Jon – United Way
   - YMCA – Virginia

3. Next meeting: Wednesday, March 14th at 10:30 am in Willmar, Kandiyohi County Health & Human Services Building, Room 2075.
