Agenda Items / Topics for Discussion:

Shared success stories: A Wraparound parent shared her story with a legislative commission on poverty in November; Wraparound was used as a tool to help a parent reunify with her child, resulting in successful re-unification and closing of child protection case management.

Discussion:

Evaluation tools – surveys being used, a good tool to measure satisfaction with the process; however it is hard to do these at every meeting.

DVD – will be producing a promotional DVD about Wraparound. Discussed content: a brief history, values, a team meeting in action, how to start a team, etc. Char went over the ten values of wraparound as a refresher for everyone; also discussed confidentially issues.

Action Taken / Recommendations:

A parent shared that parent contributions (e.g. time) to the DVD should not be reimbursed – it's a way to "give back."

PACT 4 is contracting with Kenny Turck to produce the DVD.

Training Needs Identified:

Next training: January 11th, and is part two of the skills training.
