Vision Statement

"To empower the community to reduce alcohol, tobacco and other drug use/abuse"

Mission Statement

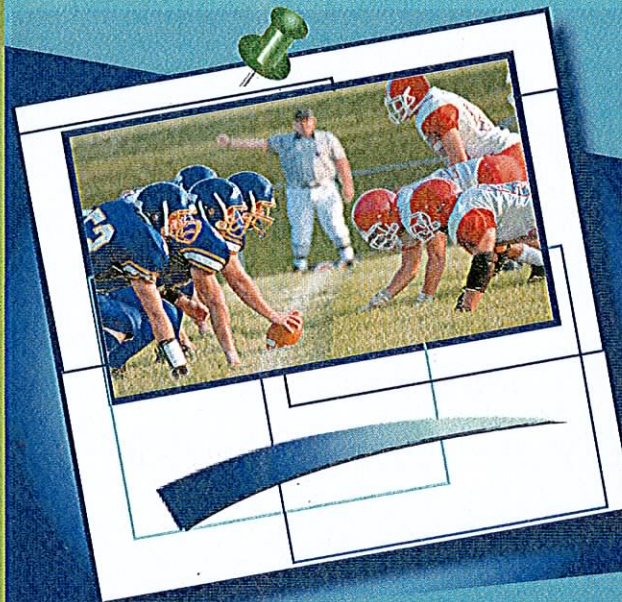

The mission is to transform Yellow Medicine County into responsible communities concerning alcohol, tobacco and other drug prevention.

This shall be done by:

- Identifying alcohol, tobacco and other drug (ATOD) problems within Yellow Medicine County.
- Publicizing efforts being made to meet ATOD problems within Yellow Medicine County.
- Coordinating efforts of other organizations in meeting problems related to ATOD.
- Supporting organizations other than the Coalition by providing technical assistance and resources.
- Cooperating with human service agencies operating in Yellow Medicine County.
- Coordinating local efforts with efforts and programs at the state level.

Establishment

Chemical Health Coalition of Yellow Medicine County was established in August of 2006 with the help of a chemical health grant through the Minnesota Department of Human Services and PACT 4 Families Collaborative.

Youth Groups

The Yellow Medicine Youth Groups, as branches of the coalition, are formed in the different school districts around the county to create awareness in alcohol and drug prevention for their peers, these Yellow Medicine youth groups will sponsor activities like alcohol free dances, grim reaper days, sticker shock projects and drug and alcohol education afternoons.

Join Us!

The Chemical Health Coalition of Yellow Medicine County is an organization open to all interested residents of Yellow Medicine County including, but not limited to: parents, youth, the business community, media, schools, youth serving organizations, law enforcement agencies, spiritual and fraternal organizations, civic and volunteer groups, healthcare professionals and state, local or tribal government.
