**Discussion:**

PACT 4 website states this committee deals with kids in grades 9-12 and up to age 25. We need to reach out to older kids. Will follow up with feedback if Shawna could possibly distribute cards to Ridgewater and MN West in Granite.

Rick Anderson – does internet safety consulting. Speak with SHARE council once more information is obtained. Questions raised if this is an issue for parents. Virginia will consider putting it out to the advisory board she's on. Debb believes it may have been addressed with SHARE. Will invite Janice Madden to our September meeting so we can take a look at how our committee's ideas may overlap with what SHARE is doing.

Panel – informational journey from youths' perspectives.

**Action Taken/Recommendations:**

Tricia will contact Rick Anderson for rates.

Funding through SHARE – will wait until we know a cost.
