PACT for Families 2012 Meeting Schedule

Collaborative Committees are the heart and soul of the collaborative initiative. It is where most of the planning actually takes place. Anyone within the five counties can be a committee member. The only requirement for membership is an interest in and a commitment to helping formulate action plans related to a specific goal of the collaborative. Committees are facilitated by a designated chairperson. Committee members' primary responsibility is to share their ideas, insights and expertise on how to accomplish the committee objective. Decisions are made through a consensus building process that determines how the collaborative will proceed with each initiative. For more information on PACT's various committees, their meeting schedules and times, or if you want your name added to a committee mailing list, please call Shawna at the Collaborative office at (320) 231-7030 ext. 2961.
